3 – 5 PM...BASIC SKYWARN Spotter Training

Location:
Cooperative Extension Building
Auditorium B
1450 Fairchild Road
Winston-Salem, NC 27105

Severe Weather Spotter Training

The National Weather Service will present 2 repeat Severe Weather Spotter training programs to help participants of all ages understand severe weather in the local area.

The following topics will be covered...

- how buildings fail in high winds
- thunderstorm development and severity
- recognition of storm/cloud elements
- anticipating storm motion, intensity and severity based on cloud structure and more

There is no cost to attend!
